

## Company Background

Infinity Systems Engineering, LLC (Infinity) is a small business with extensive experience with space systems. Founded in 1996, Infinity currently provides engineering and information technology services for the Government sector.

### Services

- Systems Engineering
- Software Engineering
- Test Engineering
- Operations

### Domains

- Ground Systems
- Space Assets
- Ground-Space Integration
- Command & Control
- Operations

### Clients

- Boeing Service Company
- Charles Stark Draper Laboratory
- Lockheed Martin Integrated Systems and Solutions
- Lockheed Martin Space Systems Company
- Northrop Grumman Mission Systems
- Raytheon Company
- RS Information Systems

## Features

- Proven Implementation
- Access Anywhere / Anytime
- Web-Based Architecture
- Easy Use Interface
- Access Based on Employee Profile
- Security Features
- Relational Database
- Interfaces with QuickBooks
- Designed for Small Business
- Timesheet Tracking/Approval
- Travel Reporting
- Paid Time Off (Vacation, Holiday, Sick) Reporting
- Work Package Creation
- Flexible Cost Reporting
- Invoice Generation
- Additional Reporting Flexibility
